

Dear students,

Welcome to **Symbiosis University**, where future leaders are nurtured & dreams take flight. As you embark on this new journey towards your future, I hope your time here is filled with learning, fun, growth, and cherished memories.

At Symbiosis, we are committed to ensuring that you stand out not only as a student but also as a well-rounded individual. Our university fosters an environment of growth and collaboration, where peer-to-peer learning is as valuable as classroom education.

We believe that your life outside the classroom is just as important as your academic pursuits. Hence, I would like to introduce you to **Covie**, a remarkable coliving space located in Viman Nagar. Covie shares our vision of fostering growth and community, and their common spaces serve as an excellent addition to their coliving property. These areas provide an opportunity to connect with fellow students not only from Symbiosis but also from other colleges, offering diverse perspectives that contribute to your overall personal and academic development.

Situated close to our campus, Covie offers the perfect blend of comfort and convenience. With fully furnished rooms, high-speed internet, housekeeping services, and nutritious meals, it truly feels like a home away from home during your time here in Pune.

We look forward to seeing you around campus and wish you a remarkable journey at **Symbiosis University**.

Warm regards,

Col. Radkar
