

REPORT ON GENDER SENSITIZATION- 2023

Interaction with Dr. Renu Vinod

A session on Gender Sensitization was organised for our students on 19th August 2023. The session was conducted by Dr. Renu Vinod, faculty at SSLA wherein she enlightened our students about the concepts like difference between Sex and Gender, Multiple gender, Diversity. She also highlighted the importance of Consent in a professional as well as personal set up. Masculinity and Gender Policy at SIU were some of the core concepts of focus during the discussion. SIU does not support any form of discrimination and holds zero tolerance for any such actions. The session primarily aimed at sensitizing the students about the concepts like gender, sexuality, gender roles and so on.

The session was conducted to make our students more inclusive of their peers as well as creating a safer space for all.
