

Gender Sensitization Session with Dr. Swati Gadgil

Report

Interaction with Dr. Swati Gadgil on Gender Sensitization

On 2nd August 2018, the Symbiosis School of International Studies conducted a session on Gender Sensitization with Dr. Swati Gadgil. The objective of this session was to make students aware about the gender issues. Session deliberated on issues relevant to women security and touched upon topic of rapes. Dr. Gadgil also talked about rights of third gender. The relevance of gender in international affairs was discussed from a cultural and security perspective.

The session provided good insights on gender analysis and how the issue has become part of social and political discussion. As a student of International Studies, this helped broaden our perspective and awareness on the topic.
