REPORT ON GENDER SENSITIZATION

Interaction with Dr. Renu Vinod

On 17th September 2021, Symbiosis School of International Studies and Symbiosis School of Liberal Arts organized a virtual session on Gender sensitization. Dr. Renu Vinod, faculty at SSLA was the chief instructor for the session. In this session she discussed with the students on the following aspects of

Difference between Sex and Gender, Multiple gender, Diversity and Respect, Consent, Masculinity and Gender Policy at SIU. She pointed out how gender sensitization includes men of the society and how gender affects both men and women.

In this session, Dr. Renu included many examples which enabled students to understand that sexual harassment is gender neutral. She also talked about the measures SI (DU) take when such cases are filed. She included many videos and case studies to make the seminar interactive and interesting.
