Action Taken Report Academic Year 2023 - 2024

Sr. No	Particulars / Action Point	Action Taken
1	Overlap of topics across courses	There were some overlaps with the subtopics under different courses. Our faculty undertook a course review exercise to address the same. In most cases it was observed that the teaching approach and content was different even though the topic was same.
2	New courses and topics recommended	There has been a faculty review of these recommendations and it was agreed that some of these could be covered through workshops and seminars.
3	Shifting of foreign language courses to semester I	This recommendation has not been accepted based on the rationale of the programme structure.
4	How to approach or write answers to questions to be discussed in class.	This point has been addressed by all faculty members individually in class and during the open house. Clear instructions have been provided on how to write answers.
